

11-12th May 2011

Marriott Royal Hotel
College Green, Bristol, BS1 5TA

Information, Programme and Registration Information

Bristol is delighted to welcome the UK Cancer Genetics Group for the two day Spring Conference. As well as an informative and varied programme we have organised a fabulous conference meal at Riverstation on the Bristol Harbourside. The Marriot Royal Hotel is situated in the centre of Bristol. It is within walking distance of the main Bristol Temple Meads train station and Central bus station. You can also fly easily into Bristol International Airport from a number of national and international cities.

Registration –

Conference registration will be ONLINE, no other method of registration will be accepted. Please see back page for details. The closing date for early registration is the 22 April 2011

Conference Dinner –

Join us for welcome drinks and a three course meal with wine on Wednesday 11 May at Riverstaion, situated on the Bristol Harbourside <http://www.riverstation.co.uk>. Please register for the conference dinner ONLINE along with your registration for the conference

Continuing Professional Development –

This meeting is recognised for continuing professional development with the Royal College of Physicians and Royal College of Pathologists

Accommodation –

Accommodation is NOT included in the Registration Costs. For further information about Bristol and available accommodation visit: www.visitbristol.co.uk

There are a variety of hotels situated just a stroll away from the conference, with prices to suit all budgets. As a suggestion, you could book your accommodation with the following hotels (they DO NOT have any rooms reserved for the conference):

The Marriott Royal (conference venue) <http://www.marriott.co.uk/hotels/travel/brsry-bristol-marriott-royal-hotel/>
Radisson Blue <http://www.radissonblu.co.uk/hotel-bristol>
Ibis <http://www.ibishotel.com/gb/hotel-5547-ibis-bristol-centre/index.shtml>

Contact Telephone Number –

The number at the Marriott Royal Hotel for emergencies is: +44 (0) 117 925 5100 (option 4 for the operator)

Closing Date for Early Registration
22nd April 2011

Programme

Wednesday 11 May

- 9.30-10.25** **Registration, Tea and Coffee**
- 10.25-10.30** **Welcome, Dr Alan Donaldson**
- 10.30-11.15** **Keynote lecture: Genetics and Epigenetics of Wilms' tumour**
(SP1) Dr Keith Brown, University of Bristol
- 11.15-12.30** **Symposia: Personalised Medicine**
- 11.15 (SP2) The establishment of UK diagnostic services for EGFR gene mutations in NSCLC patients
Dr Rachel Butler (UK)
- 11.40 (SP3) Cancer Research UK Stratified Medicine Partnership
Dr James Peach (UK)
- 12.05 (SP4) Cancer genetics, the media and public perception
Dr Henry Snowcroft (UK)
- 12.30-13.30** **Lunch and Poster Viewing**
- 13.30-15.00** **Submitted Abstracts**
- 13.30 (SP5) Pharmaceutical companies are developing novel anti-cancer drugs requiring timely and accurate tumour profiling prior to therapy, and NHS diagnostic services will need updating accordingly in response
Dr Mireille Cantarini
- 13.45 (SP6) De novo DNA mismatch repair gene mutations: an insight europe collaborative study
Dr Ian Frayling
- 14.00 (SP7) Follow up of BRCA carriers - patient perspective
Mrs Cheryl Berlin and Ms Emma Williams
- 14.15 (SP8) The StoryBank: an online collection of digital stories capturing patient experiences at the Cancer Genetics Service for Wales (CGSW)
Dr Rachel Iredale
- 14.30 (SP9) In presymptomatic DNA-testing for BRCA and Lynch syndrome, offering a choice how to learn test results, either face-to face or by letter, is good clinical practice
Dr Jan C Oosterwijk
- 14.45 (SP10) Psychological outcomes of ovarian cancer screening in women at increased genetic risk
Dr Kate Brain
- 15.00-15.30** **Break: Tea, Coffee and Poster Viewing**
- 15.30-16.45** **Symposia: Ethics and Genetic Counselling**
- 15.30 (SP11) Is pre-adoptive genetic testing ever ethically acceptable? The case of familial cancer
Dr Ainsley Newson (UK)
- 15.55 (SP12) Speaker to be confirmed
- 16.20 (SP13) Motivations for genetic testing: the role of family obligation
Dr Caroline Dancyger (UK)

Conference Dinner at Riverstation - Welcome Drinks 7pm

Thursday 12 May

8.45-9.00 Registration

9.00-11.00 Symposia: Founder Mutations in Familial Cancer Syndromes

- 9.00 (SP14) Testing for founder mutations in BRCA1/2 in the UK
Dr Gareth Evens (UK)
- 9.30 (SP15) BRCA1 and BRCA2 founder mutations in the Nordic countries
Dr Astrid Stormoken (Iceland)
- 10.00 (SP16) Polish BRCA founder mutations - research and practical implications
Professor Lubinski (Poland)
- 11.00 (SP17) Prevalence and penetrance of founder mutations of the succinate dehydrogenase genes in the Netherlands
Professor Peter Devilee (Netherlands)

11.00-11.30 Break: Tea, Coffee and Poster Viewing

11.30-13.05 Symposia: New Technologies
Sponsored by the NIHR Collaborative Group for Genetics in Healthcare (CGGH)

- 11.30 (SP18) Genetic Conditions in the Small Bowel– Capsules, Balloons and Spirals!
Dr Stephen Hughes (UK)
- 11.55 (SP19) Applying in-silico tools for the analysis of unclassified variants in clinical diagnostics – a laboratory perspective
Dr Andrew Wallace (UK)
- 12.20 (SP20) RNA analysis of unclassified variants for abnormalities of splicing
Dr David Robinson (UK)
- 12.45 (SP21) Genetic tests and incidental findings: Do we need to change our practice?
Dr Anneke Lucassen (UK)

13.05-14.00 Lunch and Poster Viewing

14.00-14.20 Large Scale Genetics Research: from CAPP to CGGH
(SP22) Professor Sir John Burn (UK)

14.20-15.50 Submitted Abstracts

- 14.20 (SP23) Unexpected findings in cancer predisposition genes detected by comparative genomic hybridisation: What are the issues?
Dr Louise Izatt
- 14.35 (SP24) Diagnostic services for hereditary cancer using next generation sequencing: development and implementation in the Leeds lab.
Dr Helen Lindsay
- 14.50 (SP25) Epidemiology and Genetics of SDHB in Northern Ireland; Clinical heterogeneity, variable penetrance, a founder mutation and a previously unreported novel mutation
Dr Vivienne McConnell
- 15.05 (SP26) The prevalence of BRCA1 mutations in triple negative breast cancer
Dr Lisa Robertson
- 15.20 (SP27) Penetrance and expression of PTEN mutations
Dr Kjersti Jørgensen
- 15.35 (SP28) Breast cancer in HNPCC families
Dr Tabib Dabir

15.50-16.30 Close, Dr Alan Donaldson.
Followed by Tea and Coffee

On-Line Registration

No other method of registration will be accepted – you must register on line

Please complete all the sections, check them and then press the submit button – this will then generate an acknowledgement sheet. Do **NOT** resubmit, if you have any amendments please email the administrative office in Birmingham. Please ensure that you give your full postal address (including post code).

Please print off your acknowledgement sheet and send (**together with CHEQUE made payable to CANCER GENETICS GROUP**) to:

Cancer Genetics Group Spring Conference 2011
British Society for Human Genetics
Clinical Genetics Unit
Birmingham Women's Hospital, Edgbaston, Birmingham. B15 2TG

PLEASE NOTE:

- Completing the on-line registration form commits the registrant to payment, whether or not they attend the conference. Any cancellations must be made (in writing or by email) by 22nd April.
- We regret that fees paid cannot be reimbursed if you have to cancel your registration after 22nd April.
- We cannot supply invoices in respect of registration fees.

CONFERENCE COSTS

Registration Fees
